Advertising Sponsorship Form

Bluewater Gymnastics Club is a not-for-profit organization that has been serving the Sarnia Lambton community for over 30 years. We develop youth of all ages and abilities into athletes, coaches, and leaders in the community through the sport of gymnastics. Gymnastics develops strength, balance, flexibility, coordination, and self-confidence. We have over 2,500 participants engaged in our world class facility each year, from Gymtots at 18 months to competitive national athletes 18 years old. We offer recreational and competitive gymnastics, Ninja, trampoline, camps, birthday parties and special events. We employ over 30 local youth, developing young leaders as coaches.

We are turning to our valued members of the City of Sarnia to help us continue to change the lives of youth in our community.

Donation proceeds go to help support the youth in our community.
